Professional Summary

Newly licensed Registered Nurse (BSN, 2026) with 800+ supervised clinical hours across med-surg, critical care, pediatrics, and community health, including a 180-hour telemetry capstone preceptorship that advanced to an independent 4-patient assignment. BLS/ACLS certified, Epic-trained, and NCLEX-RN passed first attempt — seeking a med-surg or critical-care nurse residency.

Work Experience

Senior Capstone Preceptorship — Cardiac Telemetry

Jan 2026 – Apr 2026

Riverside Regional Medical Center

Columbus, OH

- Completed 180 precepted hours on a 32-bed cardiac telemetry unit, advancing to independent management of a 4-patient assignment by the end of the rotation.
- Administered and documented 200+ medications via barcode scanning with a 100% five-rights verification rate and zero errors.
- Interpreted continuous ECG telemetry for up to 4 patients per shift, escalating 6 dysrhythmia events to the rapid-response team with accurate SBAR handoffs.
- Delivered discharge teaching to 15+ patients on cardiac medications and lifestyle changes, earning a 4.8/5.0 preceptor evaluation for patient education.

Clinical Rotation — Critical Care (ICU)

Aug 2025 – Dec 2025

The Ohio State University Wexner Medical Center

Columbus, OH

- Provided student-nurse care for 1–2 high-acuity ICU patients per shift under RN supervision across 120 clinical hours.
- Assisted with 10+ ventilator-management and vasoactive-titration protocols while maintaining 100% adherence to hourly neuro and hemodynamic assessments.
- Contributed to a unit hand-hygiene audit of 50 observations that helped lift compliance from 82% to 95%.

Patient Care Technician (PCT)

Jun 2023 – Present

Columbus Community Hospital

Columbus, OH

- Support 8–10 patients per shift with ADLs, vital signs, and hourly rounding on a 28-bed med-surg floor while completing an accelerated BSN.
- Record vital signs for 40+ patients per shift in Epic, flagging 15+ abnormal readings that prompted timely RN intervention.
- Held a 100% call-light response standard under 3 minutes, contributing to top-quartile unit patient-satisfaction scores.

Clinical Rotation — Medical-Surgical

Jan 2025 – Apr 2025

Mount Carmel East Hospital

Columbus, OH

- Managed care for up to 4 med-surg patients per clinical day across 96 hours, completing head-to-toe assessments and I&O documentation with 98% chart accuracy.
- Performed 20+ supervised sterile procedures — Foley insertion, wound dressing changes, and IV starts — with a 100% aseptic-technique pass rate.
- Educated 12 patients on post-operative mobility and incentive spirometry, contributing to zero unit falls during the rotation.

Clinical Rotation — Pediatrics & Community Health

Aug 2024 – Dec 2024

Nationwide Children's Hospital

Columbus, OH

- Delivered developmentally appropriate care to 30+ pediatric patients across an 8-week rotation, calculating weight-based dosages with 100% accuracy.
- Co-led a community health-fair screening event serving 75+ residents with blood-pressure checks and diabetes-prevention education.
- Administered 40+ childhood immunizations under RN supervision following the five rights, with 100% correct site and dosage documentation.

Education

Bachelor of Science in Nursing (BSN)

2022 – 2026

The Ohio State University College of Nursing

Columbus, OH

- 800+ supervised clinical hours across med-surg, critical care, pediatrics, OB, psychiatric, and community health.
- GPA 3.8/4.0; Dean's List for 6 consecutive semesters.
- Senior capstone: an evidence-based fall-prevention bundle adopted unit-wide during preceptorship.
- Sigma Theta Tau International Honor Society of Nursing; Student Nurses' Association Vice President.

Skills

Medical-Surgical Nursing • Telemetry & ECG Interpretation • Medication Administration (Five Rights) • Head-to-Toe Assessment • IV Insertion & Venipuncture • Epic EHR • SBAR Communication • Infection Control & Hand Hygiene • Patient & Family Education • Interdisciplinary Team Collaboration

Certifications & Licenses
