Professional Nursing Portfolio

I practice patient- and family-centered critical care grounded in evidence, clear communication, and relentless attention to safety. My goal on every shift is zero preventable harm and a patient who feels heard — and to grow the nurses coming up behind me so that standard outlives me.

Licensure & Credentials

- Registered Nurse (RN) — North Carolina Board of Nursing, License #123-4567 (eNLC multistate compact), active through 2027.
- CCRN — Critical Care Registered Nurse, AACN, held continuously since 2019.
- BLS, ACLS, and PALS — American Heart Association, all current through 2026.
- Bachelor of Science in Nursing (BSN), University of North Carolina at Charlotte, 2014, cum laude (3.7 GPA).

Clinical Competencies

- High-acuity ICU care: mechanical ventilation, CRRT, vasoactive titration, and post-op cardiac management at 2:1–5:1 ratios.
- Hemodynamic monitoring, arterial and central lines, and rapid-response / code-team leadership.
- Telemetry and 12-lead ECG interpretation with documented escalation of 30+ dysrhythmia events without a missed rapid response.
- Charge-nurse staffing and throughput, Epic EHR super-use, and SBAR hand-off standardization.

Leadership & Professional Development

- Precepted 14 new-graduate nurses through a 12-week residency with 93% one-year retention.
- Led a unit CLABSI-reduction bundle sustaining 0 infections per 1,000 line-days over 3 years.
- Completed 40+ hours of continuing education annually in critical-care and preceptor development.
- Member, American Association of Critical-Care Nurses (AACN) and Sigma Theta Tau International Honor Society of Nursing.
